RIO 2016

Vinicius

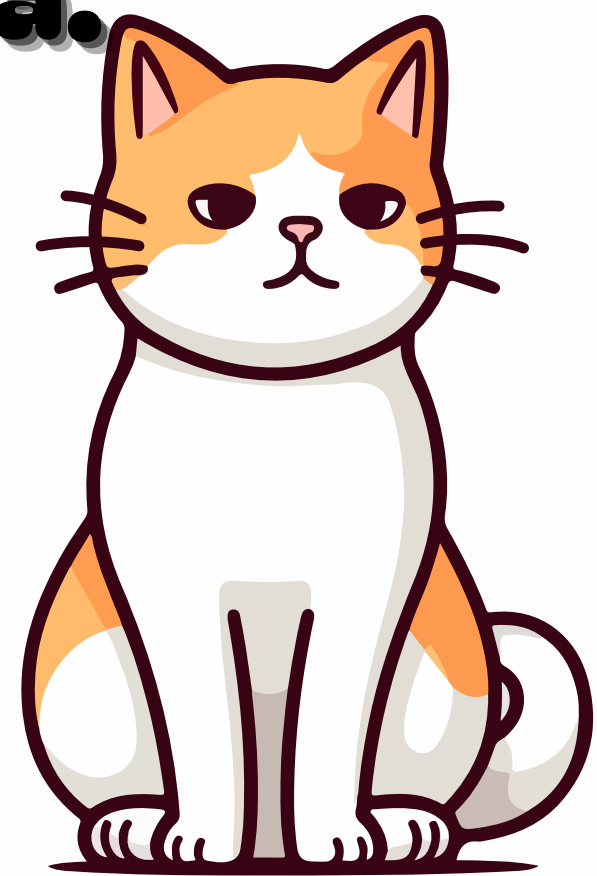

ANIMAL SPECIE

This mascot is a mix of several species of Brazilian animals.

Emerged from the mixture of Brazilian fauna.

CHARACTER OF THE MASCOT

Vinicius its a simpatic

animal, he likes to

spending time whit his

friends and he love the

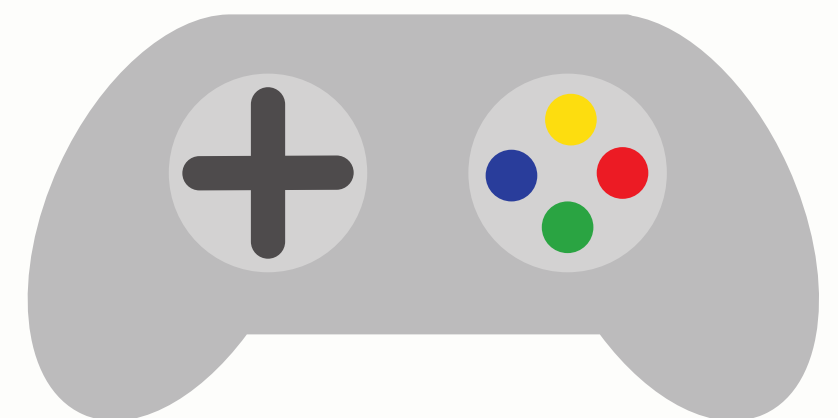

music a lot.

PHYSICAL DESCRIPTION

His design takes inspiration from pop culture, as well as video game and animation characters. Alongside his Paralympic Games colleague, Vinicius represents the diversity of the Brazilian people and culture, as well as its exuberant nature.

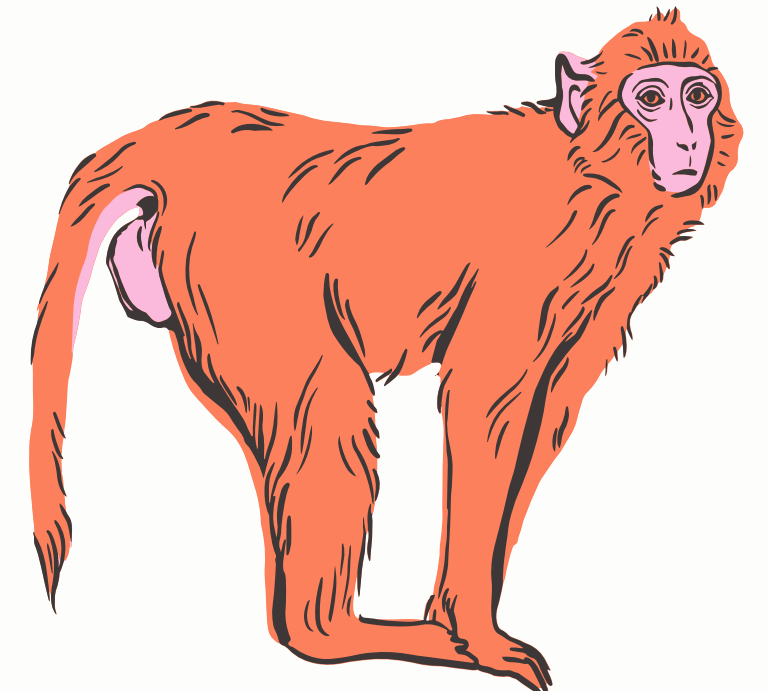

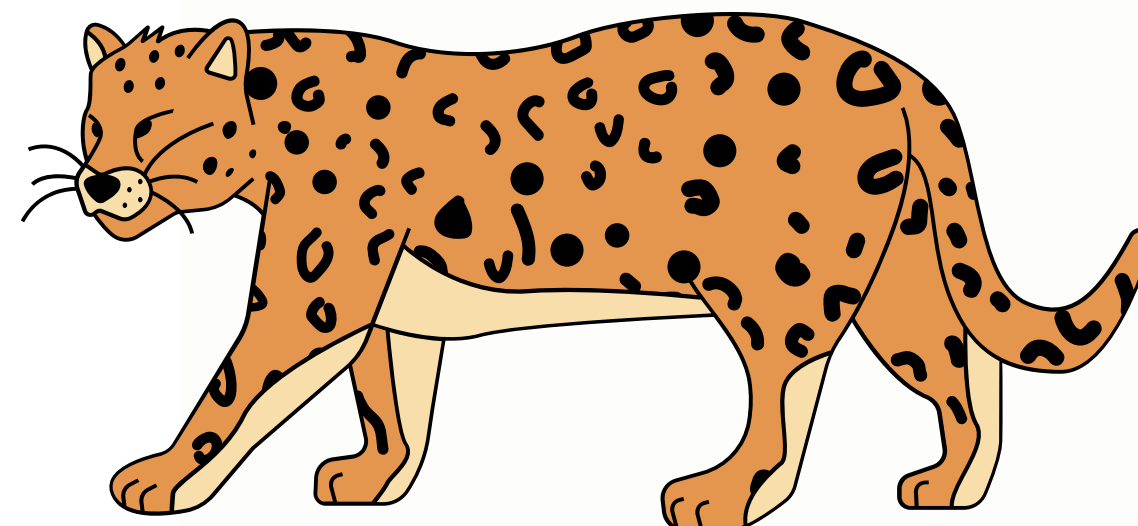

It has a yellow body and blue arms. It has the agility of felines, the balance of monkeys and the lightness of birds. In addition to that, he can stretch his arms and legs as far as he wants.

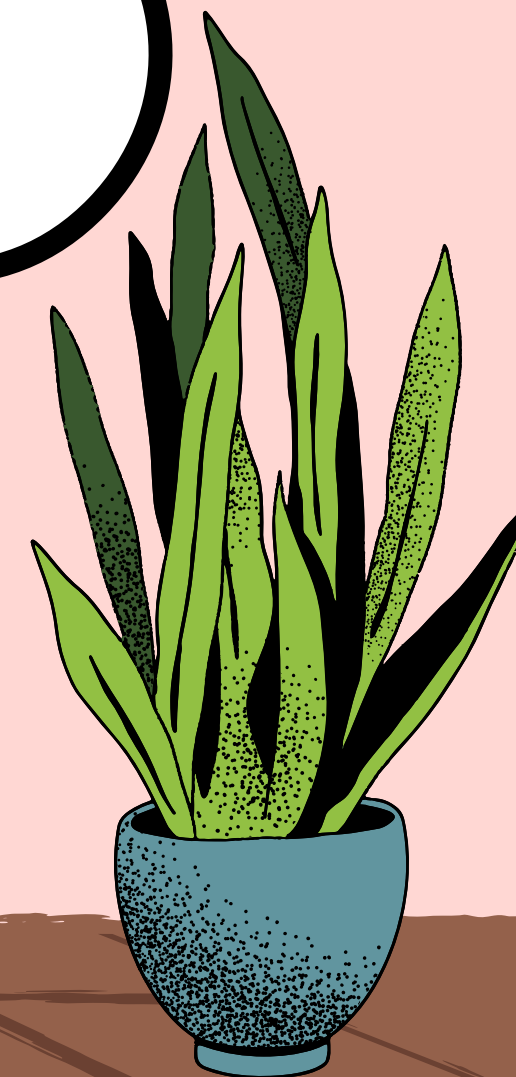

CULTURAL/HISTORIC MEANING

Rio chose Vinicius because it is a mixture of different Brazilian animals such as a feline, a bird, and a monkey.

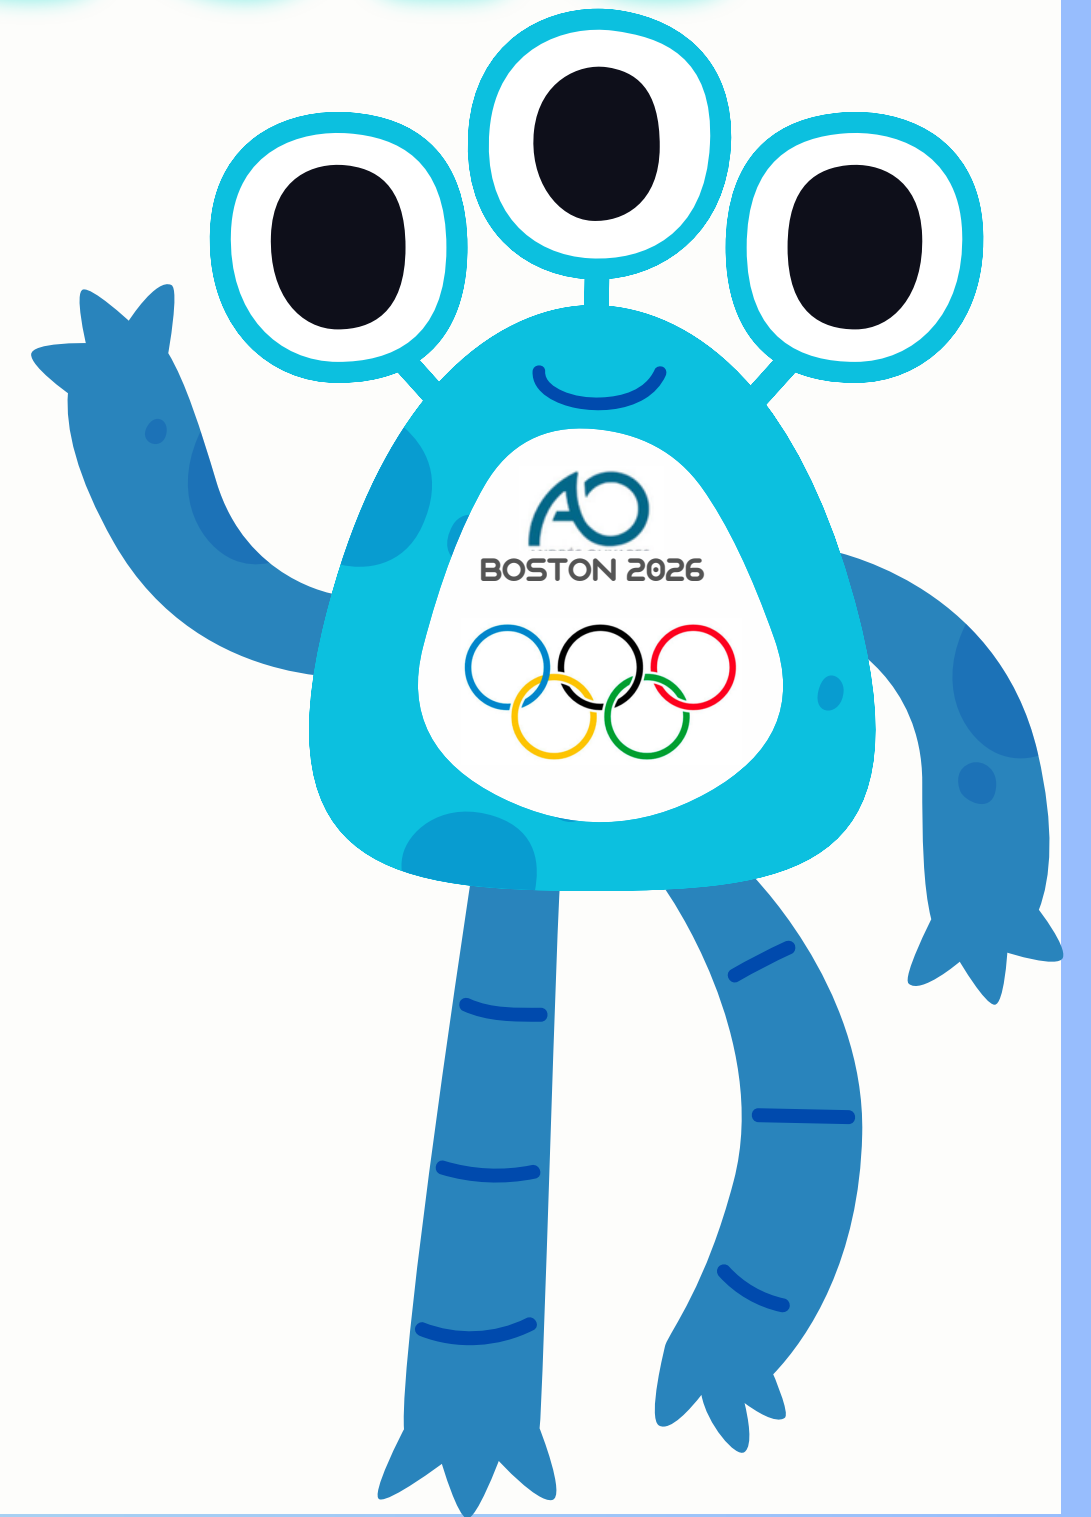

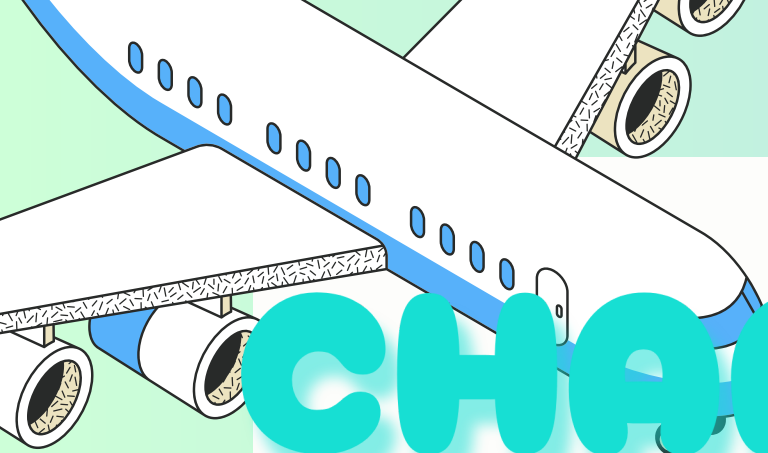

ANIMAL SPECIE

It's a mix of aliens, dragons, amphibians... and it has blue skin!

It's has three eyes and it has stains all over the body.

His body stretches as far as he wants and only has three fingers.

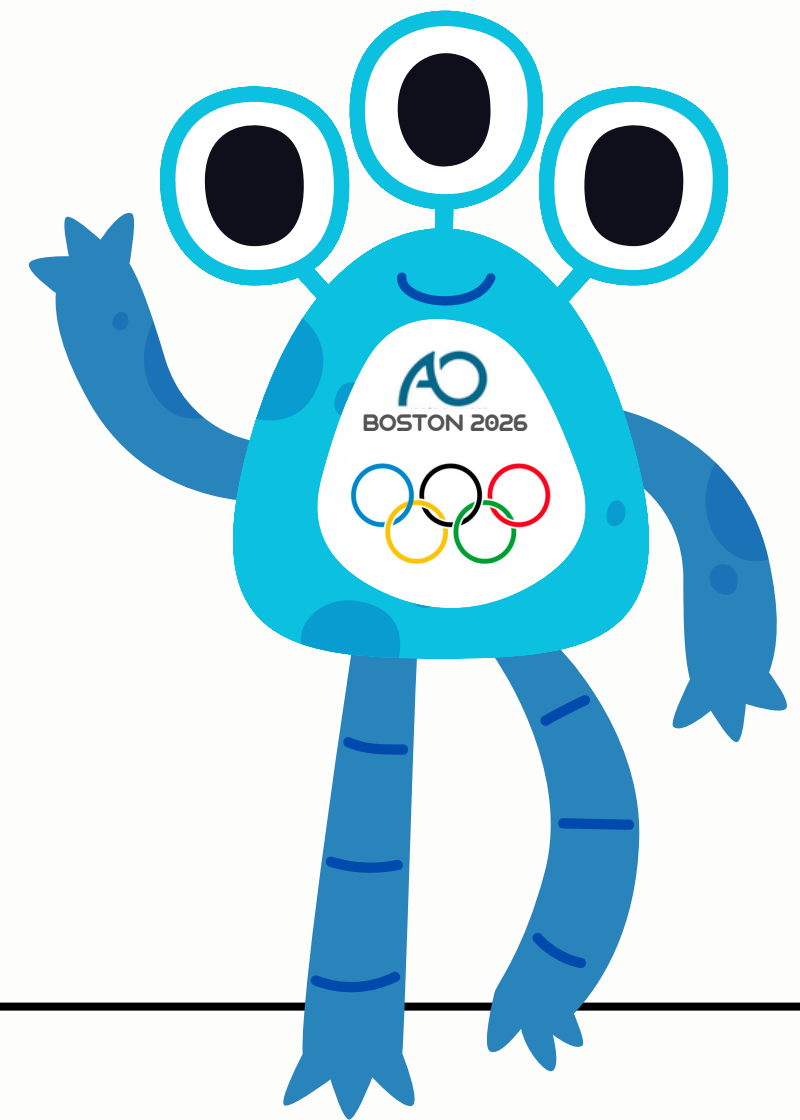

CHARACTER OF THE MASCOT

He is a super friendly pet who loves going for walks in the countryside. He adores airplanes, always ready to bring a smile to your face. He enjoys rainbows, rainy days, and indulging in sushi. Above all, he is the best pet of all time.

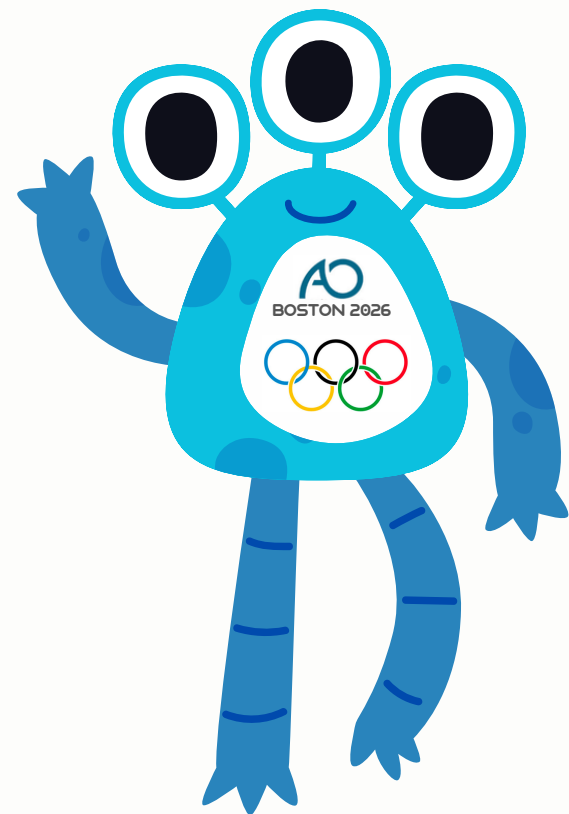

PHISICAL DESCRIPTION

This pet is a mixture of different creatures. His body is of different blue colors with spots all over the body. This monster has three fingers and three eyes. His limbs stretch as far as his want.

CULTURAL/HISTORIC MEANING

The culture of a small monster can be as diverse as it is fascinating. These imaginary beings often have their own traditions, language, and unique customs that set them apart. From scare festivals to nighttime dances under the full moon, the life of a small monster is full of color and creativity. Some even have a passion for monster cuisine, preparing exotic dishes with unusual ingredients. Despite their frightening appearance, these monsters often value friendship, family, and diversity in their community. The culture of a small monster is certainly an intriguing world to explore!
